Tiny Toon Adventures is a platform video game for the NES. It was published and developed by Konami and released in 1991. This was the first Tiny Toon, which was ported to the NES and later to the SNES and N64. The game was first released in the UK on the Game Boy Color on March 5, 1999. In Japan, the game was released on the Game Boy Advance, Nintendo DS, PS2, and PlayStation 3. Tiny Toon Adventures is a platform video game similar to the Rambo and Tiny Toon series in which the player takes on the role of a character named Tiny Toon who must go through a series of levels to help him save the Earth from evil forces and villains .
