The story of Tarnished, is the tale of a man who, in search of power, has an encounter with a devil. He then encounters the responsibility of a new world. Tarnished becomes the Lord of a new world. The titular Tarnished, a priest who at a young age fought a heroic battle against a Demon Lord. The Demon Lord paid homage to this man, and gave him the Rings of Elden. At the time of the Demon Lord's defeat, Tarnished became an Elder on the hunt for the Six Jewels. The Demon Lord appointed him the guardian of a new world, and Tarnished created the Land Between. Now, Tarnished wants to bring back the Six Jewels he brought to the Demon Lord, so he seeks the cooperation of others to do so. The Land Between is an interesting game world to play in, where numerous monsters are everywhere. Here you have to create your own character, there are elements to divide your character, to choose the way you want to change the appearance of your character. There is a large world, the world of the Elden Lord, the world of the monsters. You will have to deal with this world to gather your power. This is a game about exploration. You will go in open land, in many different situations. In a rock, in a cave or a forest, you will have to explore and make your way to the end of the dungeon. You will have to deal with monsters, and then you will be given a variety of items in the shop. When you're not battling, you can customise your character. You can improve your weapons and armour, even giving yourself new skills. You can even change your appearance. You can become stronger to fight enemies, you can boost your muscles, improve your abilities, or use magic. You can increase your strength, learn magic spells, or acquire special skills. As you increase your strength, your knowledge grows, so your game speed increases, you can achieve more quickly. As you progress, you will have new stages. Each stage has its own quest. If you manage to complete the quest, you will

get to move on to the next stage. By playing the stage as a whole, you will get to explore a new world. There are various quests you can play. And while you can change the way you go about things, sometimes you may just have to complete the quest in the order

Features Key:

The Lands Between Are in Disarray
The Official Clan System in Fantasy Fighting Game Role Playing
PlanetSide 2

Each clan can have their own ideas and themes, and the world changes depending on the theme. The official clan is on a historical battlefield between the Orcs and Humans where the epic clash occurred called the World of Tarnis. The age has reached the new dawn of age, in which you and other clans will start the final battle.

PlanetSide 2 is NOT a sequel or a continuation to the original *Star Wars* franchise, nor it is a modification of *DOTA* or *Call of Duty: Modern Warfare*, it is a standalone game with its own history and everything. It is an open-world action game where you use a wide variety of weapons and abilities in an attempt to destroy an opposing player or clan.

So play in a glorious arena, and prepare yourself for a fierce duel.
